**REBEL ART FEST**

**6.9.2024**

**Now is your chance to be part of one of South Bend's coolest free festivals that highlights the local music scene, talented makers and artists, community DIY projects, and some favorite food trucks.**

REBEL ART FEST is a curated showcase of local makers, artists and musicians with the best modern craft, design and sound. Enjoy music by local bands, shop handcrafted goods, view fun and irreverent art, take a bite from a food truck, and try a DIY project as you wander the festival, set in South Bend's River Park neighborhood. Our 9th annual festival is scheduled for Sunday, June 9, 2024 from 12-8 pm in the historical Potawatomi Park.

The festival is the brainchild of maker and artist, Michelle FitzGerald and musician and maker, Nathaniel FitzGerald, who wish to support and encourage the creative makers in South Bend and bring more life to River Park. The neighborhood is home to their makerspace, MAKE SOUTH BEND; and is also home to community space and music venue, The Well; IUSB and the Ernestine M. Raclin School of the Arts; and home to many creative neighbors such as sculptor Victor Riley who created totem poles around River Park and the greater South Bend area. River Park is home to musicians like Dad Jokes, SPACESHIPS, Analecta, Paul Erdman, and more.

## PARTNER WITH US

As with most community events, we rely on partners and sponsors to bring an enjoyable and, we hope, awe-inspiring event to the South Bend community, and be able to keep the admission free.

You can partner with us as a financial sponsor or an in-kind donor. In-kind gifts will give you the sponsor level perks at half the value of the in-kind gift. Any way you choose to partner will help.

We just need 10 gold level sponsors to make this event seamless.
